To Whom It May Concern,

It is my great pleasure to write a letter of recommendation for mister Mislav Jakšić.

Mislav's a very professional person who successfully tackles business challenges and is an exceptionally reliable employee. He's a completely independent person capable of overcoming the most complex business tasks.

During his employment at Atos IT Solutions and Services d.o.o., Mislav, as a Software Development Specialist and Business Process Analyst, has greatly contributed to the improvement of efficiency and quality of our everyday business.

Apart from being professional and dedicated to his work, Mislav has made a significant contribution to our corporate values as a tolerant, open-minded and kind person. We sincerely recommend Mislav because he is a true team player, a helpful person who completes daily tasks with ease and on whom we can always depend.

Sincerely,

Saša Gogić
Business Processes and Solutions Division
